- (4) Changes in title or occupancy of the property during the term of the policy;
- (5) Specifications of damaged buildings and detailed repair estimates;
- (6) The inventory of damaged personal property described in **2.e.** above;
- (7) Receipts for additional living expenses incurred and records that support the fair rental value loss; and
- (8) Evidence or affidavit that supports a claim under the Credit Card, Fund Transfer Card, Forgery and Counterfeit Money coverage, stating the amount and cause of loss.

3. Loss Settlement. Covered property losses are settled as follows:

a. Property of the following types:

- (1) Personal property;
- (2) Awnings, carpeting, household appliances, outdoor antennas and outdoor equipment, whether or not attached to buildings; and
- (3) Structures that are not buildings;

at actual cash value at the time of loss but not more than the amount required to repair or replace.

b. Buildings under Coverage A or B at replacement cost without deduction for depreciation, subject to the following:

- (1) If, at the time of loss, the amount of insurance in this policy on the damaged building is 80% or more of the full replacement cost of the building immediately before the loss, we will pay the cost to repair or replace, after application of deductible and without deduction for depreciation, but not more than the least of the following amounts:
 - (a) The limit of liability under this policy that applies to the building;
 - (b) The replacement cost of that part of the building damaged for like construction and use on the same premises; or

(c) The necessary amount actually spent to repair or replace the damaged building.

(2) If, at the time of loss, the amount of insurance in this policy on the damaged building is less than 80% of the full replacement cost of the building immediately before the loss, we will pay the greater of the following amounts, but not more than the limit of liability under this policy that applies to the building:

- (a) The actual cash value of that part of the building damaged; or
- (b) That proportion of the cost to repair or replace, after application of deductible and without deduction for depreciation, that part of the building damaged, which the total amount of insurance in this policy on the damaged building bears to 80% of the replacement cost of the building.

(3) To determine the amount of insurance required to equal 80% of the full replacement cost of the building immediately before the loss, do not include the value of:

- (a) Excavations, foundations, piers or any supports which are below the undersurface of the lowest basement floor;
- (b) Those supports in (a) above which are below the surface of the ground inside the foundation walls, if there is no basement; and
- (c) Underground flues, pipes, wiring and drains.

(4) We will pay no more than the actual cash value of the damage until actual repair or replacement is complete. Once actual repair or replacement is complete, we will settle the loss according to the provisions of **b.(1)** and **b.(2)** above.

However, if the cost to repair or replace the damage is both:

- (a) Less than 5% of the amount of insurance in this policy on the building; and
- (b) Less than \$2500;

we will settle the loss according to the provisions of **b.(1)** and **b.(2)** above whether or not actual repair or replacement is complete.

- (5) You may disregard the replacement cost loss settlement provisions and make claim under this policy for loss or damage to buildings on an actual cash value basis. You may then make claim within 180 days after loss for any additional liability according to the provisions of this Condition 3. Loss Settlement.
4. **Loss to a Pair or Set.** In case of loss to a pair or set we may elect to:
- Repair or replace any part to restore the pair or set to its value before the loss; or
 - Pay the difference between actual cash value of the property before and after the loss.
5. **Glass Replacement.** Loss for damage to glass caused by a Peril Insured Against will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.
6. **Appraisal.** If you and we fail to agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will choose a competent appraiser within 20 days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of loss.
- Each party will:
- Pay its own appraiser; and
 - Bear the other expenses of the appraisal and umpire equally.
7. **Other Insurance.** If a loss covered by this policy is also covered by other insurance, we will pay only the proportion of the loss that the limit of liability that applies under this policy bears to the total amount of insurance covering the loss.
8. **Suit Against Us.** No action can be brought unless the policy provisions have been complied with and the action is started within one year after the date of loss.
9. **Our Option.** If we give you written notice within 30 days after we receive your signed, sworn proof of loss, we may repair or replace any part of the damaged property with like property.

10. Loss Payment. We will adjust all losses with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 60 days after we receive your proof of loss and:

- Reach an agreement with you;
- There is an entry of a final judgment; or
- There is a filing of an appraisal award with us.

11. Abandonment of Property. We need not accept any property abandoned by an "insured."

12. Mortgage Clause.

The word "mortgagee" includes trustee.

If a mortgagee is named in this policy, any loss payable under Coverage A or B will be paid to the mortgagee and you, as interests appear. If more than one mortgagee is named, the order of payment will be the same as the order of precedence of the mortgages.

If we deny your claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- Notifies us of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- Pays any premium due under this policy on demand if you have neglected to pay the premium; and
- Submits a signed, sworn statement of loss within 60 days after receiving notice from us of your failure to do so. Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee.

If we decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or nonrenewal takes effect.

If we pay the mortgagee for any loss and deny payment to you:

- We are subrogated to all the rights of the mortgagee granted under the mortgage on the property; or
- At our option, we may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, we will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

13. No Benefit to Bailee. We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

14. Nuclear Hazard Clause.

- a. "Nuclear Hazard" means any nuclear reaction, radiation, or radioactive contamination, all whether controlled or uncontrolled or however caused, or any consequence of any of these.
- b. Loss caused by the nuclear hazard will not be considered loss caused by fire, explosion, or smoke, whether these perils are specifically named in or otherwise included within the Perils Insured Against in Section I.

c. This policy does not apply under Section I to loss caused directly or indirectly by nuclear hazard, except that direct loss by fire resulting from the nuclear hazard is covered.

15. Recovered Property. If you or we recover any property for which we have made payment under this policy, you or we will notify the other of the recovery. At your option, the property will be returned to or retained by you or it will become our property. If the recovered property is returned to or retained by you, the loss payment will be adjusted based on the amount you received for the recovered property.

16. Volcanic Eruption Period. One or more volcanic eruptions that occur within a 72-hour period will be considered as one volcanic eruption.

This limit is the same regardless of the number of "insureds," claims made or persons injured. All "bodily injury" and "property damage" resulting from any one accident or from continuous or repeated exposure to substantially the same general harmful conditions shall be considered to be the result of one "occurrence."

6. Suit Against Us. No action can be brought against us unless there has been compliance with the policy provisions.

No one will have the right to join us as a party to any action against an "insured." Also, no action with respect to Coverage E can be brought against us until the obligation of the "insured" has been determined by final judgment or agreement signed by us.

This Liberalization Clause does not apply to changes implemented through introduction of a subsequent edition of our policy.

7. Assignment. Assignment of this policy will not be valid unless we give our written consent.

8. Subrogation. An "insured" may waive in writing before a loss all rights of recovery against any person. If not waived, we may require an assignment of rights of recovery for a loss to the extent that payment is made by us.

If an assignment is sought, an "insured" must sign and deliver all related papers and cooperate with us.

Subrogation does not apply under Section II to Medical Payments to Others or Damage to Property of Others.

Payment will be for the shortest time required to repair or replace the damage or, if you permanently relocate, the shortest time required for your household to settle elsewhere. In either event, the payment(s) will be limited to twenty four (24) consecutive months from the date of the covered loss.

there is a reason to believe that there is the presence of "fungi," wet or dry rot, yeast or bacteria.

- b. The coverage described in a. only applies when such loss or costs are a result of a Peril Insured Against that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at and after the time the Peril Insured Against occurred.

Any such increase in the loss or Loss of Use will be subject to the terms of this Additional Coverage.

This coverage does not increase the limit of liability applying to the damaged covered property.

The following Additional Coverage is added:

- b. You may use all or part of this ordinance or law coverage to pay for the increased costs you incur to remove debris resulting from the construction, demolition, remodeling, renovation, repair, or replacement of property as stated in a. above.

c. We do not cover:

- (1) The loss in value to any covered building or other structure due to the requirements of any ordinance or law; or
- (2) The costs to comply with any ordinance or law which requires any "insured" or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants on any covered building or other structure.

Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

b. This coverage does not include loss:

- (1) To covered property which results because the glass or safety glazing material has been broken, except as provided in a.(3) above; or
- (2) On the "residence premises" if the dwelling has been vacant for more than thirty (30) consecutive days immediately before the loss, except when the breakage results directly from Earth Movement as provided for in a.(2) above. A dwelling being constructed is not considered vacant.

Loss to Glass covered under this ADDITIONAL COVERAGE 9. will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

This coverage does not increase the limit of liability that applies to the damaged property.

(4) In the event of sinkhole activity:

- (i)** We will limit our payment to the actual cash value of the covered sinkhole loss, not including underpinning or grouting or any other repair technique performed below the existing foundation of the building, until you enter into a contract for the performance of building stabilization or foundation repairs.
- (ii)** After you enter into the contract, we will pay the amounts necessary to begin and perform such repairs as the work is performed and expenses are incurred. We shall not require you to advance payment for such repairs.
- (iii)** If repair had begun and the professional engineer selected or approved by us determines that the repair cannot be completed within the policy limits, we must either complete the professional engineer's recommended repair or tender the policy limits to you without a reduction for the repair

expenses incurred.

- (iv)** If you have submitted a sinkhole claim without good faith grounds for submitting such claim and such claim is not withdrawn prior to our ordering a sinkhole analysis to investigate your claim, you are required, after we obtain written certification that there is no sinkhole activity, to reimburse us for analysis and services provided by a professional engineer or professional geologist to conduct testing to determine the cause of loss; pursuant to Florida Statutes 627.7072 and 627.7073.

Loss Settlement paragraph 3.b.(1) is deleted and replaced by the following:

- (1)** At the actual cost to repair or replace.

Loss Settlement paragraph 3.b.(2) is deleted.

- 6. Appraisal is deleted and replaced by the following:
- 6. Mediation, Appraisal or Neutral Evaluation
 - a. If you and we fail to agree on the amount of loss, either may:
 - 1. Demand a mediation of the loss in

accordance with the rules established by the Florida Department of Financial Services. The loss amount must be \$500 or more, prior to application of the deductible; or there must be a difference of \$500 or more between the loss settlement amount we offer and the loss settlement amount that you request. The settlement in the course of the mediation is binding only if both parties agree, in writing, on a settlement and, you have not rescinded the settlement within three (3) business days after reaching settlement. You may not rescind the settlement after cashing or depositing the settlement check or draft we provided to you.

We will pay the cost of conducting any mediation conference except when you fail to appear at a conference. That conference will then be rescheduled upon your payment of the mediator's fee for that rescheduled conference. However, if we fail to appear at a mediation conference, we will pay your actual cash expenses incurred while attending the conference and pay the mediator's fee for the rescheduled conference.

2. Demand an appraisal of the loss. In this event, each party will choose a competent appraiser within twenty (20) days after the receipt of a written request from the other. The two appraisers will choose a competent and independent umpire. If they cannot agree upon an umpire within fifteen (15) days, you or we may request that the choice be made by a judge of a court of record in the state where the "residence premises" is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- (a) Pay its own appraiser; and
- (b) Bear the other expenses of the appraisal and umpire equally.

If, however, we demand the mediation and either party rejects the mediation results, you are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against us for failure to pay the loss.

- b. Alternatively, following the receipt of a sinkhole report or denial of a sinkhole loss claim, you may participate in the alternative dispute resolution or neutral evaluation for disputed sinkhole insurance claims provided by § 627.7074, Florida Statutes. We will provide you the consumer information pamphlet prepared by the department that clearly describes the neutral evaluation process and includes the forms necessary to request a neutral evaluation. The neutral evaluation process supersedes mediation and appraisal for settlement of sinkhole losses.

Any change in the limits of liability indicated above does not, in any way, represent, warrant, or guarantee to any person or entity, that these adjustments will keep pace with inflation or that the amounts of coverage are adequate to repair or rebuild any specific building or structure.

The following condition is added to SECTION I – CONDITIONS of your policy:
